Canadian Lutheran Youth Gathering

INVEST IN FAIR TRADE

The fair trade movement is strong and visible with youth across the country. Approximately 25 youth visited Canadian Lutheran World Relief's office for a real look behind several departments at the Winnipeg office. A fun time was had by all! We look to our youth for growth with respect to third world development and an increased awareness for fairly traded handcrafts and consumables.

Together we can make a difference!

A Greater Gift

Host a consignment sale!

Christmas is around the corner and our volunteers are busy packing orders to be shipped across Canada. Hosting a consignment sale in your neighborhood is a great way to meet new people and make a difference in the lives of developing world artisans.

For more information on how you can host a sale, call 1.800.661.2597 and ask for Four Corners.

Four Corners—helping build healthy, vibrant communities by providing markets for products created by artisans in the developing world!
