Retirement Celebration!!!!

Four Corners announces the retirement of Laila Schultz. Laila had worked for CLWR for five years and she will be missed dearly. Laila worked in the Four Corners Program and was a wonderful ambassador for the artisans that we supported and for the organization as a whole. From the staff at CLWR and the Four Corners volunteers: have a wonderful retirement and keep in touch!

Grateful For Your Support!

Your purchases are making a difference in the lives of MESH artisans! Four Corners' program manager visited numerous producer groups on his visit to India in March/07. It was a wonderful experience to visit the artisans and see the great pride that they take in their homes and the products they make. Over 50 new items were purchased during this visit to prepare Four Corners for fall and Christmas sales! Keep your eyes posted to our online catalogue for all of these great gift ideas!
