Don't you hate it when you're told what to do?

But when God tells you what to do you need to listen!

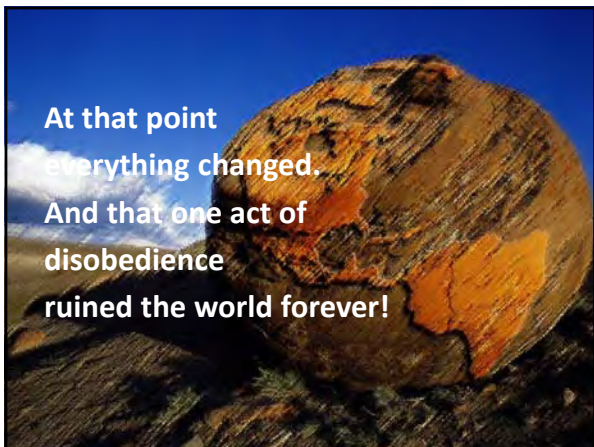

**What was the
ONE THING
God said
Adam and Eve
shouldn't do?**

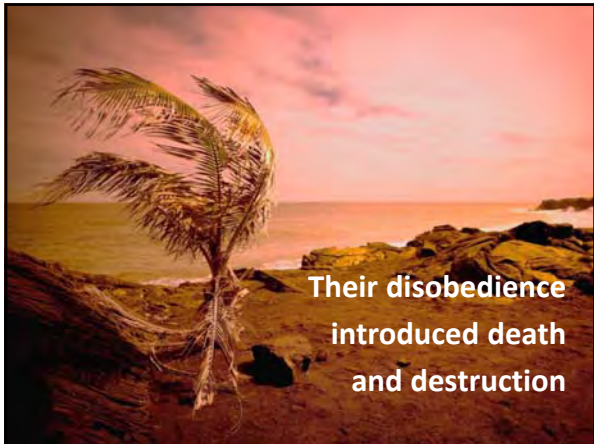

**She did it anyway; then invited Adam
to join her in disobeying God.**

**At that point
everything changed.
And that one act of
disobedience
ruined the world forever!**

**God cursed the serpent
and said one day
he'd pay for
what he did.**

**Then, He told Adam and Eve
life would change:**

- No more easy food
- Giving birth would be painful
- And they would die.

God then kicked
Adam and Eve out of their
once-perfect garden

GOD
and His human creation
were separated!

But there was good news too

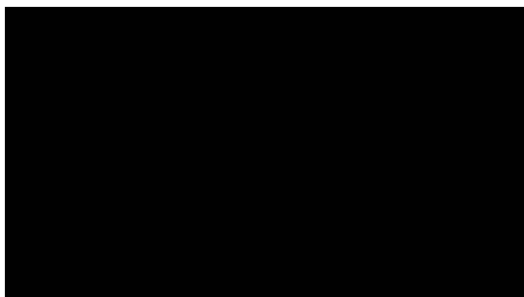

- God provided clothing from animal skins...(not leather but cool anyway)

But there was good news too

- Then He promised He would do something to restore the relationship He once had with His human creation.

This is how He did it:

That's amazing love!

Usually when someone hurts you or does something you don't like you get angry, maybe even ignore them.

That's not the way God works.

**When you were baptized,
God brought you back into
His family.**

**That's the kind of love
He has for you
and the kind of love
He wants you to show others.**

**So how do we respond to this
amazing love?**

Two ways:

- 1. Love Him with all your heart, soul, mind and strength.**
- 2. Love your neighbour just like you love yourself.**

You do the first part by

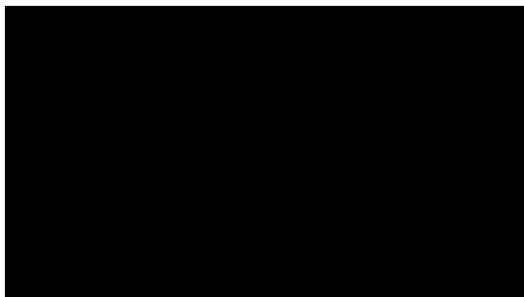

- Reading your Bible**
- Going to church**
- And with God's help, living your life in ways that please Him**

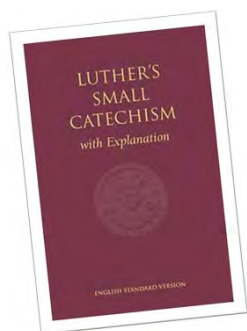

You do the second part by

**Helping people
however you can**

Here's how Jesus explained it

You learned all about neighbours from Martin Luther's comments on the Ten Commandments in the Small Catechism

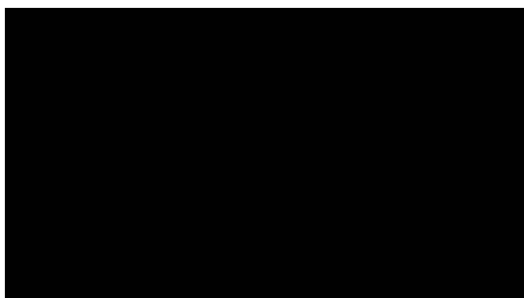

We should fear and love God that we may not hurt nor harm our neighbour in his body, but help and befriend him in every bodily need.

How do we do that?

Lutheran churches in Canada have created an organization to help show their love for neighbours around the world.

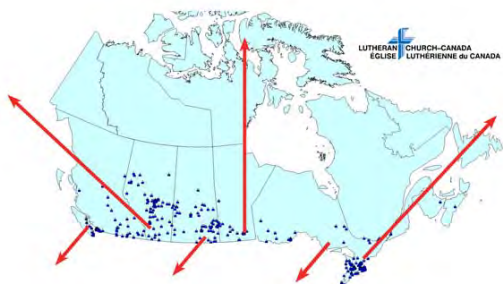

**Canadian Lutheran
World Relief**

**Since God loves us so much,
CLWR shares that love with
people around the world in
many different ways.**

Members of Lutheran Church–Canada congregations can't always personally help people around the world

But they can do it by giving money and other helpful items to Canadian Lutheran World Relief.

Governments in Canada often support CLWR by providing matching funds that increase the work CLWR can do.

When an earthquake hit Haiti, Canadians gave CLWR more than \$1.5 million dollars to help people recover.

And to support Lutheran churches in Haiti as they also served their neighbours.

With help from Lutherans in Canada, CLWR also helped provide food for areas in Africa that suffered from drought.

And help farmers grow more food

And through CLWR Lutherans in Canada helped people in Japan after the earthquake and tsunami.

CLWR also supports Lutheran Church – Canada's partner church in Nicaragua.

- Providing money so children can go to school
- And keeping people healthy with a medical and dental clinic

What does that have to do with me?

*We should fear and love God
that we may not hurt nor harm
our neighbour in his body,
but help and befriend him
in every bodily need*
