Canadian Lutheran World Relief
2019 - 2020 Program Highlights

Canada
Partnering with churches to give refugees a new start in Canada.

Bahamas
Responding to the destruction of Hurricane Dorian.

South Sudan
Providing life-saving food assistance to families who have been forced to flee their homes.

Ethiopia
Improving food security for small-scale farmers through agricultural training, support and infrastructure. Providing basic necessities and clean water to displaced families.

Jordan
Giving students in Jordan, including Syrian refugees, the chance to go to school in a safe, supportive environment.

West Bank
Providing technical and vocational education and training to women and girls, including women with disabilities. Providing urgently-needed medical care through Augusta Victoria Hospital.

Central African Republic
Providing emergency food assistance to vulnerable, displaced people, especially children, women and people with disabilities.

Myanmar
Supporting displaced people by responding to basic needs and improving living conditions. Providing literacy, skills and leadership training to women and girls.

Nicaragua
Supporting quality education for children in low-income families through student bursaries.

El Salvador
Improving resilience of small-scale farmers through climate insurance indexed to satellite weather data.

Uganda
Supporting refugees and members of the communities hosting them. Responding to emergency needs by providing basic necessities, clean water and improved hygiene services. Vocational training for young people.

Mozambique
Emergency response to Cyclone Idai. Providing shelter and urgently needed items.

You are making a difference in the lives of thousands of people around the world! Thank you!

Your support is:

- Meeting the immediate and long-term needs of refugees, internally displaced people and those affected by disasters.
- Strengthening communities by renovating schools, training educators and supporting employment training.
- Improving food security and building resilience to climate change by giving farmers the tools, training and infrastructure to feed their families and communities.
- Resettling refugees in Canada.

We take good care of your generosity. Thanks for your trust!
