Prayer for World Refugee Day

Rev. Susan C. Johnson

National Bishop, Evangelical Lutheran Church in Canada (ELCIC)

Loving God, open our hearts to be generous, hospitable and welcoming to our neighbours. On this World Refugee Day, help our communities, our countries and indeed the world be generous, hospitable and welcoming to the increasing number of refugees and displaced peoples. Help us to be advocates for these our world neighbours, your beloved children in need. In Jesus' name we pray.

Amen.
