

## PROVIDE RELIEF IN THE MIDDLE EAST

“No place feels safe. Families are fleeing with little notice...Children are sleeping in classrooms. Others remain in their homes, hearing bombs fall nearby.” This is what we’re hearing from our partners on the ground in Lebanon. The escalating violence in the region is causing displacement, fear and uncertainty in Iran, Lebanon, Syria, Jordan, the Palestinian Territories and beyond.

Please join us in prayer for peace across the region and for everyone affected by the violence. And consider donating today to provide emergency relief like food, clean water, blankets and psychological care for families experiencing trauma.
