

Venezuela Earthquake

Pray for people affected by the earthquake in Venezuela

On June 24, two devastating earthquakes struck western Venezuela. Families have lost their homes and everything in them. They need shelter, clean water and basic supplies right now.

We are responding through the Lutheran World Federation. LWF already has people and supply lines in Venezuela and Colombia, so your gift will support a response already moving, not one waiting to begin. We start by helping people survive the crisis. Then we stay to help them recover and rebuild.
