

*When you send forth your spirit, they are created, and
you renew the face of the ground.*

—Psalm 104:30

**Get ready! We're joining churches across Canada
in the Friends of Creation challenge from
Canadian Lutheran World Relief.**

Over four Sundays, we'll walk alongside
communities near Lake Chad, where farmers are
racing to adapt as the land that once gave life
becomes harder to live on.

Each week, we'll explore a theme that intersects
with climate—food, water, peace, and economy—
listen for God's call, and hear stories of courage
and hope.

Together, we'll take action—and help restore acres
of land around Lake Chad!

**Join us in answering God's call
to be Friends of Creation, and
help us restore an ecosystem:
