

# ADULT EDUCATION RESOURCES

Explore water-themed learning activities that connect your congregation to the Friends of Creation challenge. Use the options below to spark conversation, deepen awareness, and reflect together on how climate and water issues are impacting communities around the world. These resources are designed for use in adult education settings such as discussion groups, workshops, or after-worship learning sessions:

- **Consider offering the Bible Study provided.**
- **Offer a book discussion with a focus on a book about climate change.**
  - Suggested reading:
    - *Food is Climate* - Glen Merzer
    - *The Climate Book* - Greta Thunberg
    - *Blue Covenant: The Global Water Crisis and the Coming Battle for the Right to Water* - Maude Barlow
- **Offer a movie night and discussion.**
  - Suggested movies, videos and documentaries:
    - *Dark Waters* (2019)
    - *The Secret of Water* (2015)
    - *Flow: For the Love of Water* (2008)
    - *Blue Gold: World Water Wars* (2008)
    - *Shrinking Lake Chad; Environmental & Humanitarian Impact* (YouTube)
    - *Lake Chad - How Africa plans to save the shrinking mega Lake Chad from climate change* (YouTube)
