

Venezuela Earthquake Relief (Emergency 2026)

Headline: [Church name OR Individual] is responding to the earthquakes in Venezuela

On June 24, two major earthquakes struck western Venezuela within seconds of each other. The larger measured a magnitude of 7.5 – the most powerful the country has recording in more than 125 years. Buildings have collapsed in Caracas and across several states.

Family have lost their homes and everything in them. They need shelter, clean water and basic supplies right now.

CLWR is responding through the Lutheran World Federation, as part of the Humanitarian Coalitions Venezuela Earthquake Response. And until July 14, 2026 all donations made will be matched by the Canadian government.

How to help:

1. Pray for the people of Venezuela, for those injured, grieving, trapped, displaced or afraid, and for first responders and medical teams working to save lives.

2. What donations can help provide:

\$20 - Provides hygiene supplies for a family sheltering away from home

\$30 - Provides a safe source of clean water

\$50 - Provides an emergency shelter kit for a family that has lost its home

\$100 - Covers all three – clean water, hygiene supplies and shelter for a family starting over

Join us: pray, share this page, or if you are able, please donate. Together we can provide hope for the people most vulnerable during this humanitarian crisis.
