Help us celebrate World Refugee Day on June 20, 2026!

World Refugee Day is a special day when we honour the courage and resilience of people who have been forced to flee their home country to escape conflict or persecution.

According to the UNHCR, 117.3 million people have been forcibly displaced worldwide. To put that into perspective, that's almost three times Canada's population (41.47 million).

With your support, Canadian Lutheran World Relief responds to the needs of refugees and displaced people with compassion, faith and action. Through our sponsorship program, we have resettled tens of thousands of refugees to Canada, and we provide humanitarian relief and development programming to displaced people around the world.
