World Food Day

Wednesday October 16th

Canadian Lutheran
World Relief

Did You Know?

- Over 9% of the world's population - as many as 733 million people - go to bed hungry!
- Nearly 50% of deaths among children under 5 years of age are linked to lack of nutrition.

Climate change is putting more pressure on those already working to produce their own food.

This World Food Day, please join us in prayer for the right of all to access enough food for a better life and a better future and visit [**clwr.org/wfd**](https://clwr.org/wfd) for resources your congregation can use to mark this day.
