

Friends of Creation Leadership Certification Program

FREE Leadership Certification

Ages 16 - 25

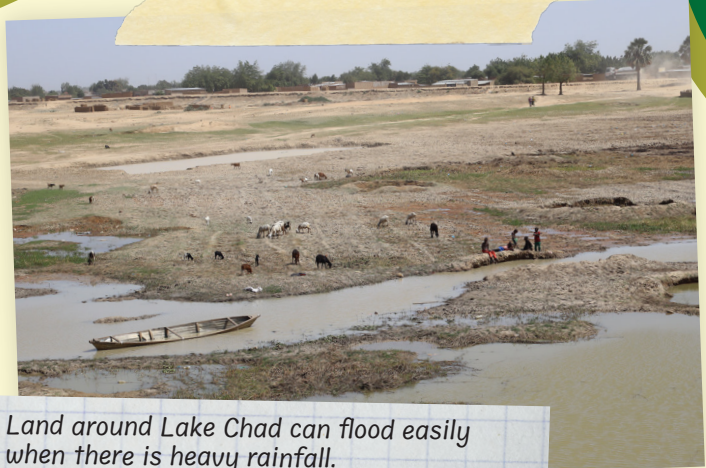

Are you concerned about
climate change?

Do you want to find ways
to share this concern with
others and inspire your
congregation?

Are you looking to improve
your resume?

For more info, visit
clwr.org/foc-leadership
or contact Wendy at
wendy.clwr@gmail.com

*Land around Lake Chad can flood easily
when there is heavy rainfall.
Photo: CLWR/Quazi Alam*

*Trees act as a natural flood barrier; when
they are lost, communities are put at risk.
